KENDALL MURDER VERDICT NOW IN.

Jury, After Twelve Hours of Deliberation Says it is "Second Degree" Homicide.

WILL BE SENTENCED MONDAY.

Case Had Been on Trial for Three Days—Defendant Had Cruelly Slain His Wife.

(Special to the "News.")
Ogden, April 15.—The jury in the Kendall murder case this morning brought in a verdict of murder in the second degree, after 12 hours' deliberation. Sentence will be passed on the defendant April 24, on the return of Judge Howell from California, for which section he left this morning to attend the convention of the Woodmen of the World.

The case has been on trial for three days and the testimony adduced went to show that Kendall entered Roger's restaurant the morning of Sept. 21, and after hot words with his wife, shot her which terminated in her death. The defense pleaded justification from the fact that Mrs. Kendall had been unfaithful. The arguments were made Friday afternoon, and at 7:30 the case went to the jury, which returned its verdict 12 hours later.

The jury was composed of W. O. Ridges, foreman; William Pickett, William Purnell, A. A. Bingham, David E. Chard, Henry McIntyre, James J. Burton, David Shupe, William Cowles, George Bain, A. A. Wenger and C. R. Drummer.

The case was prosecuted by District Attorney Halverson and County Attorney Hulanicki, while the defendant was represented by F. D. Johnson, J. D. Jensen, George Marsh and George McCormick. It is understood that on the first ballot four of the jurors stood out for murder in the first degree, while on the second ballot the jury was unanimous for the verdict announced. The fact that Mrs. Kendall was unfaithful is said to have been responsible for the jury's findings.

Ogden, April 15.—Thomas Summers, a resident of Point Lookout, Rockwell county, met with a painful death in a Washington avenue between Twenty-fourth and Twenty-fifth streets. He was crossing the street and stopped for a moment to look at a car which was being driven along the street at a rapid speed, ran into him, knocking him to the pavement with considerable force, the car passing over his body. A gash was cut over his right eye, his body and right leg being badly bruised. He was picked up and taken to the drug store and later to Dr. Dickinson's office, where his injuries were cared for. The doctor said while the injuries are not serious, they are quite painful. It is a miracle that Mr. Summers is still alive after more serious. He declares that the delivery boy was driving along the street on a gallop.

FUNERAL OF GRANDMA WAYMONT.

Mrs. Martha Waymont, better known as Grandma Waymont, who died Wednesday very suddenly from apoplexy at her home in Warren, Weber county, aged 82 years, was laid to rest in Plain City cemetery yesterday afternoon. The grave being dedicated by Elder Joseph M. Polkman. The funeral services over her remains were held at the Warren ward meetinghouse, which was entirely inadequate to accommodate the large assemblage of sympathizing friends who attended.

Bishop Stewart presided at the service, the ward choir furnished several beautiful musical selections. The speakers were Dr. Wadman, Elders Frank Barrows, Joseph V. East, Thomas H. Larkin and Bishop Stewart. They spoke feelingly of the God-fearing, noble life of the deceased, which was a help in usefulness. Her many acts of kindness to the bereaved family for years were feelingly referred to. Her large posterity, numbering 80 souls, was admonished to emulate her good example.

Some beautiful flowers were laid on her casket. A large funeral cortege followed her remains to their last resting place.

BURIAL OF MRS. SHURTLEFF.

Impressive funeral services over the remains of Mrs. H. V. Shurtleff were held yesterday afternoon at 2 o'clock at the residence of her daughter on Twenty-third street, commencing at 2 o'clock. President C. F. Middleton, and Editor Joseph Parry spoke words of comfort to the bereaved family, and eulogized the beautiful life of the departed one, emphasizing the many noble traits of character possessed by her.

The services were presided over by Patriarch Barnard White. Many large floral tributes were placed around her casket. The home was crowded with friends. The funeral cortege which followed the remains to the Ogden City cemetery was very large. The grave was dedicated by Patriarch White. Six of the nephews of the deceased acted as pallbearers.

COURT HOUSE IMPROVEMENT.

The county commissioners have consulted an architect with reference to enlarging the county clerk's office in the court house, and will no doubt pass on the proposition at their meeting Monday. The intention is to have

the west wall moved west about three feet in the case, and the counter moved back to where the wall now stands, which will give considerable more room. Those desiring to enter as commissioners' room will have to pass through the space in front of counters.

EDWIN DALLIMORE'S FUNERAL.

The funeral services over the remains of Edwin Dallimore, who died Tuesday night of pneumonia, will be held Sunday at the Fifth ward meetinghouse, commencing at 2 o'clock. The remains may be viewed at the family residence, 2653 Jefferson avenue, tomorrow between the hours of 10 a. m. and 1 p. m. The Seventy-seventh quorum of Seventy will attend the funeral in a body, meeting at the home at 1:30 p. m. to accompany the remains to the meetinghouse and the cemetery.

WOODMEN GO TO LOS ANGELES.

Today the Degree team of the Woodmen of the World of Ogden left for Salt Lake, where they will join three teams from Salt Lake City, and in two special cars will leave over the Clark road for Los Angeles, where April 17, the head camp of the Woodmen of Colorado, California, Montana, Idaho, Oregon, Nevada and Utah will begin a ten days' session. The Ogden Degree team is composed of the following: Capt. Morris, Battalion Adjutant J. A. Howell, H. Lewis, P. A. Arnold, Henry Silverthorn, George W. Graham, John M. Engle, John Ambrose Hill, Henry Rosenbluth, George Mumford, Jas. Thurston, W. H. Drabble, Robert Anderson, Albert B. Graft, S. A. Lind, L. Moore, J. H. Griffin, Sam Jost and Rolla M. Griffin. Out of this number Messrs. Morris, Griffin, Macbeth and Graham will be accompanied by their wives. The party will also include Mrs. R. W. Emmott and daughter; Mr. and Mrs. T. C. Brantley of this city; Dr. Tabin and wife of Elva Point; R. W. Barnes and wife and William Ramsey and wife of Kayville.

WEDDING BELLS.

Marriage licenses were granted by the county clerk to the following couples: J. M. Jessie, 23, of Casard, Nebraska, and Miss Hazel Parr, 20, of Ogden City, Utah.

Benjamin Southern, 24, and Miss Matilda Byram, 24, both of South Weber, Weber county.

BRIEFS AND PERSONALS.

Samuel Francis, of Morgan, is in Ogden attending to some business matters.

Simen Bowman, a native of Holland, was admitted to citizenship by Judge Howell.

Atty. Henderson has filed a motion for a new trial in the case of the state against J. H. Winslow, Jr., who was found guilty a few days ago of attempted incest on his 11-year-old daughter, and the sentencing of the defendant was continued by the court to May 12, 1905.

In the case of Warren L. Watts, as executor of the last will and testament of George L. Watts, deceased, against Baldy H. Watts, et al., decree was entered quieting the title to 26 acres of land in Uintah. The same decree was entered in the case of F. W. Kendall against the same defendants.

An order was made by Judge Howell that in all estates in which inventories have not been filed and in which no additional time has been granted by citation be issued requiring administrators to show cause why they should not be punished for contempt. The citations made are returnable April 25, 1905.

At the board of education last night Supt. Allison reported an enrollment in the public schools 4,123, with an average daily attendance of 4,126. The teachers were paid today. A small amount of other business was done.

PROVO.

The Daily News is delivered by carrier in Provo early every evening (Sundays excepted) on the same terms as in Salt Lake—5 cents per month. All complaints requests for changes of address and payments of accounts should be made to R. V. Adams, 272 West 4th North Street. Provo. Advertisements and orders for Church works also received.

UTAH COUNTY HORSE SHOW.

District Court—M. M. Kellogg, Appointed Judge of Juvenile Court.

Special Correspondence.

Provo, Utah Co., April 15.—Many of the Provo people here to take part in today's exhibit arrived last evening, and were entertained by the commercial club at a sociable given in the hall of the hotel. The members of the club and many other prominent citizens.

An address of welcome was given by President Larkin, in which he expressed appreciation of the interest taken in the exhibition of the horses and congratulated all connected with the horse show on the success it promised to achieve. Vocal selections were given by Prof. A. C. Lund, Miss Florence Jessperson and Messrs. R. R. Irvine, Jr., and Jos. McAllister. Miss Beulah Storrs favored the company with readings, and Prof. Albert Miller with some fine violin selections. The songs, music and readings were highly appreciated and generously encored. Delicous refreshments were served, and a very pleasant social evening was passed.

FOURTH DISTRICT COURT.

Suit has been commenced in the Fourth district court by Bird S. Cole & Co. against Consider K. Southworth and others to collect \$18,272.12, alleged to be due on a promissory note, and for \$2,000 attorney fees. The indebtedness is secured by a trust deed on what is known as the Southworth block in this city.

The Springfield Construction company has brought suit against Joseph M. Crandall, Cyrus Johnson and G. W. Straw to collect \$558.50, alleged to be due on a promissory note.

JUDGE OF JUVENILE COURT.

Mayor Roylance, Superintendent of Schools Rawlings and City Marshal Henry have selected Judge M. M. Kellogg as judge of the juvenile court of this city. Judge Kellogg is a man of high standing in the community, kind and sympathetic and interested in the welfare of the young, and it is believed he will fill the office in an ideal manner. He was not an applicant for the post. The salary was fixed at \$100 a year.

GARDEN CITY NOTES.

The family of Mr. and Mrs. N. J. Peterson has been increased by the arrival of a daughter; all well. Andrew Swanson of this city, a native of Sweden, has been admitted to citizenship. S. A. Kenner is down from Salt Lake. The state board of insanity held its

regular monthly meeting here yesterday, and transacted the usual routine business, bids for the erection of a wing of the new cottage to be built this season were received and taken under advisement, no committee being appointed. Bishop Partridge will go to Grand Junction tomorrow to meet Mrs. Partridge, who is returning from a visit to relatives in Michigan, Chicago and Kansas City.

Provo too is struggling for superior telephone service. They granted a franchise to the Independent the other day.

LOGAN.

The agent of the Deseret News in Logan is C. B. Robbins, 130 North Main St., up whom at 2 o'clock. News should be made. Daily News 75 cents per copy. Saturday and Semi-Weekly News \$2.00 per year. Complete list of addresses, orders for advertisements and church works will be given prompt attention.

CACHE COUNTY AFFAIRS.

Lively Discussion on Purchase of Hercules Light Plant.

Special Correspondence.

Logan, Cache Co., April 14.—The county commissioners devoted the time of their session yesterday to considering the question of giving Paradise a town organization. It developed that the town had been organized several years ago, but had never taken advantage of it and had never elected officers under the organization. There was a doubt in the minds of the commissioners as to whether they had a right to annul the old organization and establish a new one, and referred this question to the attorney for his opinion.

A franchise was granted to the R. M. Co., with the understanding that they furnish the County 15 free phones, and pay \$5 annually in phone scrip to the county. The board was fixed the time for sitting as a board of equalization from June 8 to 15.

The Commercial club met last night to discuss the question of buying out the Hercules distributing system in this city. Councilman Hatch submitted a proposition in the shape of a lease to the city of the system providing for annual payment for the plant. The subject was freely discussed, many prominent citizens speaking for and against the proposition submitted.

It was noticeable that those who seem so anxious to have the city absorb the Hercules system at several times its value, are those who have been friendly to the city plant and few of them have ever patronized it.

A resolution was finally adopted asking the council to purchase the system if it can be done at reasonable price, if not to make the levy of three mills for maintenance and reduce the price of lights to 10 cents as proposed.

THOMAS TARBET PASSES AWAY.

Thos. Tarbet of the Third ward died this morning. Mr. Tarbet has been in poor health for some time but no one suspected that his end was so near. He was a native of the State of Maine, and came to this valley in his boyhood, and has been here for over 40 years. He has always been a quiet unassuming man, a good citizen and neighbor, and a faithful Latter-day Saint. A wife and five children all grown, survive him. The time of the funeral has not been announced.

The wife of Isaac Stewart has presented him with a fine baby girl. Carl Graft is out for the position of clerk of the board of education, the Democratic members having refused to stand for the appointment of C. G. Graft. It is not likely that any appointment will be made until the return of W. W. McLaughlin who is in Montana on government business. H. Thaine will therefore likely have to act as clerk for two months or more as he was not allowed a deputy.

SPRINGVILLE.

Mendenhall Reunion.

Family and Friends Honor Patriarch Wm. Mendenhall on 90th Birthday.

Special Correspondence.

Springville, Utah Co., April 13.—April 9 of the family of Wm. Mendenhall, patriarch of the family, met at the home of his daughter, Mrs. R. L. Bird, to celebrate his ninetieth birthday. The house was festively decorated—the parlor in pink and green, the dining room in red and green, the living room in the national colors, and the reception room in white. The patriarch was a representation of the Mendenhall home—fifty years ago.

Uncle William, who is commonly called, joined the Church in Delaware, when he was 24 years old, and with his young wife and two children moved to Nauvoo, where he met the name and became well acquainted with the Prophet Joseph Smith.

He came to Springville in 1832, where he has since resided. He has four sons, 194; nine children, 55 grand-children, and 43 great-grandchildren.

After dinner all were called together and a program, consisting of songs, recitations and speeches, was given. Patriarch Mendenhall was referred to as one of the pillars of faith in the Church and as one of the best citizens in the community. He has been a faithful and devoted member of the Church since he was a boy.

When a poor emigrant came to Springville he generally went to the Mendenhall home, where he always found shelter and work.

The program closed in a sweet yet impressive manner. The entire family was called around Father Mendenhall, and as a true and honored Patriarch he gave his testimony and blessing to his family, commencing by reviewing briefly the events that caused him to bring his family to the west and to the place where he had been given them; he then bore a fervent testimony to the truthfulness of the Gospel as revealed to Joseph Smith, pleading earnestly with all to cling to the truth. Then with uplifted hands he poured forth his soul in prayer to God in thanksgiving and asked that He would watch over his family after he was called from their midst.

All who know him cannot but declare that he stands a noble monument of the religion of the Latter-day Saints.

For over fifty years the name of William Mendenhall has been constantly upon the lists of the Deseret News for one or more subscriptions. At present he is sending two Semi-weekly copies regularly to his relatives in Delaware.

Grave Trouble Foreseen.

It needs but little foresight, to tell that when your stomach and liver are badly affected, grave trouble is ahead, unless you take the proper medicine for your disease, as Mrs. John A. Young, of Clay, N. Y., did. She says: "I had neuralgia of the liver and stomach, my heart was so bad that I could not eat. I was very bad for a long time, but in Electric Bitters, I found just what I needed, for they quickly relieved and cured me. Best medicine for weak women. Sold under guarantee by Z. C. M. I. COMPLETION OF HURRICANE CANAL

Prodigious Undertaking of Washington County Farmers Accomplished

EXPENSIVE IRRIGATION SYSTEM

Will Redeem and Make Productive 2,000 Acres of Ideal Fruit Land in Dixie.

Special Correspondence.

Harmony, Washington Co., April 12.—At last, after 12 long, toilsome winters, the Hurricane canal is completed, and the hopes and dreams of a hundred faithful heroes are realized. For six miles they have cut a ditch eight feet wide, more than half the distance through solid rock and boulders. Ravines are bridged with trestles and dunes and gullies built over with solid masonry. The ditch hangs on the side of an almost perpendicular ledge, 200 feet from the river, and is undoubtedly the most expensive irrigation system in the state for its size. Most of the men when they commenced the work, were young and inexperienced in the use of powder and steel (as several of the tunnels testify by their crookedness) but now they are experts in the use of both. The Virgin river is difficult to control, but the company has a dam in it, that is thought will never be taken away. The canal is pretty well settled for four miles, and will follow the lower end of the holding the water well, so that two large streams are being used daily on the hundred or more acres of grain that was planted in February and March. It is a sight to stand upon the bluffs overlooking the land and see the green patches scattered over the plain, where before the lizards and snakes had ruled supreme. Near the happy farmer can be seen going here and there, grubbing, plowing, planting and watering. What a noble calling has the farmer! What a benefactor he is! He speaks the words, the waters gush forth upon the idle, barren soil, and it yields food and clothing for the hungry and naked! The farmer's work is the grandest of all; he is king of all.

The builders of the canal are very jubilant over the prospects of good homes, secure from the floods of the turbulent Virgin. The land lies in a square body and contains about 2,000 acres, divided into farms averaging about 20 acres. The townsite is on the northern corner overlooking the farms. The climate and soil are both especially adapted to the production of seedless raisin grapes, figs and peaches. Experts in that line of encouraging the people have planted in a haphazard manner, not putting up fruit in a marketable style. But a new era for fruit raising in this county has dawned, and the people will soon be able to profit and put it up for market.

Nothing that has happened for many years in this district has accomplished so much in the hearts of the people as the completion of this canal.

ST. GEORGE.

SCHOOL CONTESTS.

Woodward and Branch Normal Students in Mental and Physical Contest.

Special Correspondence.

St. George, Washington Co., April 12.—Deputy U. S. Marshal Heywood is in St. George serving subpoenas. The snoring plant will start up again on the 15th inst.

The weather continues very changeable, with daily showers; considerable fruit has been killed by the different sections of the county by frost.

The Branch Normal at Cedar City having challenged the Woodward school of St. George in debate, a track meet was held last night. The Woodward team scored highest in argument, but the normals overcame this advantage in delivery. When it came to the ball game Cedar was hardly in it. The score stood: Woodward team, 18; Branch Normal, 1. In the track meet the St. George boys were at a great disadvantage. During the jumping, their fastest man fell and injured his leg badly, which practically ruined him for the race and the high altitude materially diminished their lung power, so the Woodward boys had to be content with winning the 50 yards dash and several seconds. On their return home on Monday last, the St. George boys were given a royal welcome by their schoolmates. The silver band went out to meet them, a banquet was prepared for them in the school building. Instructor MacFarlane speaks highly of the Branch Normal and the treatment accorded the St. George children and students by the good people of Cedar City.

GRANTSVILLE.

BURIAL OF HYRUM BELL.

Fell a Victim of Appendicitis—Masonry Calls—Mining Activity.

Special Correspondence.

Grantsville, Tooele Co., April 14.—The mortal remains of Hyrum Bell were laid at rest yesterday in the city cemetery, the funeral of the departed young man being held in the ward meetinghouse. The large congregation evidenced the esteem in which the deceased was held. The speakers were Elders R. W. Robinson, C. L. Anderson, James R. Cluff and Bishop J. L. Wadsworth, each making consoling remarks to the bereaved family, and eulogizing the life and character of the deceased. Hyrum Bell was born in Grantsville, 2, 1884, being 21 years old at his death, which was caused from appendicitis. He was taken to the Holy Cross hospital about seven weeks ago, and on April 12, an operation was performed by Dr. Hosmer, which terminated fatally.

Mr. Charles Johnson will open a boot and shoe store on Main street in a few days. The building is already finished and ready for the stock, which is to be made up exclusively of home-made goods.

Everybody has returned home from conference, having had a good time in the visit to Salt Lake. We have no Cannon-Kearns men here, and nobody has apostatized, everybody is pursuing the even tenor of his way.

The late rains have brought up the grain and all nature cheers the heart of man, and prospects for the future never were so bright.

Quite a number of men are now prospecting on Lakeside mountain, and other mountain ranges on the desert, and some good ones have been found, and quite a number of locations made, all in anticipation of the coming of the Western Pacific railroad. Old mining claims which have been abandoned are being re-located, and worked, and paying ore is being taken out, providing the railroad materializes.

Elders Archie Eliason and Frank Woolley have received letters from B. R. calling them on missions to the Pacific islands. They are preparing to leave here for their fields of labor about the 10th of next month.

Don't let the children suffer. If they are fretful, peevish and cross, give them Hollister's Rocky Mountain Tea. The best baby tonic known. Strength and health follow its use. 35 cents.—Ask Your Druggist.

SALINA.

HIGH SCHOOL PROPOSITION.

Appeal to Citizens for Much Needed Additional School Facilities.

Special Correspondence.

The present accommodations of the Salina public schools are no longer adequate. The lower grades are now overtaxed and the taxpayers are confronted with the necessity of providing additional school facilities. The trustees being fully alive to the needs of the situation, called a meeting of the qualified voters of this school district, the citizens met in the town hall on the 12th inst. and voted in favor of having an addition of two rooms built to the present school building. The sentiment of the meeting was unanimous in favor of having said building heated by a good system of steam heat. The cost of making the above improvements is estimated at about \$5,000, and in order to raise this amount it will be necessary to bond the district. The question of bonding will be decided by the citizens on May 3.

With an addition of two rooms we expect to put in a high school, in order that our boys and girls may receive a higher education here at home. We are assured that Salina, Redmond and Aurora will arise in sustaining high school, and judging from the sentiment generally, we are very much interested in regard to encouraging the proposition.

ELSINORE.

DEATH'S HARVEST.

C. F. Johnson and Charles Christoffer sen Called Hence—Snow and Frost.

Special Correspondence.

Elsinore, Sevier Co., April 13.—C. F. Johnson died April 12 after a long illness. He was born in Denmark, June 3, 1836, and was one of the early settlers of Elsinore. His wife and three children have preceded him to the great beyond; he leaves a family of eight grandchildren to mourn his departure. He was a man of much faith and a firm Latter-day Saint.

Charles Christoffersen, the 23-year-old son of Emil and Karen Christoffersen, died from the effects of measles on the 11th inst. He was a good, honest young man, kind and helpful to all. A very sad feature of this death is that the father is on a mission in Norway. A light fall of snow came on the 11th. Weather has been quite cold with heavy frost on the 12th.
